## DEBRIEFING SKILLS FOR SIMULATION – THE BASICS

### Who is this for?

If you are interested in using simulation for education in healthcare, then this is for you! We aim to give you the basic skills needed to start debriefing in your own institution. This is a practical course with lots of opportunities to debrief.

**2 days of hands on  
experience**

**Places Limited**

**Course Directors:**

**Dr Jay Mekwan**

Attending Emergency Physician  
(Assistant Professor Dalhousie  
University)

**Dr James French**

Attending Emergency Physician  
(Assistant Professor Dalhousie  
University)
