## Fall ECCU Fest 2018

# CALL FOR ABSTRACTS!

[eccufest.com](http://eccufest.com)

The 2018 Fall ECCU Fest organizing committee is welcoming submissions for research and educational innovation presentations on point-of-care ultrasound. Those interested in submitting original research for presentation at the Conference may submit their material to [Canada@emergencyultrasound.net](mailto:Canada@emergencyultrasound.net) **no later than August 31st, 2018**. Decision letters will be sent by email to the first author by Sept 9th, 2018. All the accepted abstracts will be presented as posters and/or oral presentations at the Fall ECCU Conference in St Andrews, NB, Canada on Sept 28th, 2018. Presenters must register for the Conference ([www.ECCUfest.com](http://www.ECCUfest.com)). Additionally, accepted abstracts will be published at [www.cureus.com](http://www.cureus.com)

### FORMAT

Abstracts must be submitted in English. Submissions should be .doc or .pdf files  
Abstracts should not exceed 300 words, excluding title and author list.

The abstract should comprise: Title, Author list and affiliations, Objectives, Methods, Results, Conclusions, Keywords (3)

### POSTER SESSION

All accepted submissions will be presented as electronic posters at the poster session. Presenters will be required to present their work.

**ORAL PRESENTATIONS** Abstracts will be evaluated and scored by the Conference Research Committee using the standardized scoring. The top scoring papers will be selected for oral presentations. Audio-visual equipment shall be provided in the plenary room. Presentations should be prepared as Keynote or Powerpoint files. Please contact [Canada@emergencyultrasound.net](mailto:Canada@emergencyultrasound.net) if you have further questions.
